Rules for using funds apply as described in the Parent Guide/Troop By-Laws, Troop Financing & Fundraising, Bullet #5:

5. SCOUT'S FUND - The Treasurer will create a Scout's Fund for each Scout. Contributions to this fund will be made through participation in Troop fundraising events with 60% of the monies raised distributed to the Scout's Fund. The remaining 40% will be deposited into the Troop General Fund to supplement the Troop program.

The Treasurer will make this information available at the Annual Committee/Parents' Meeting, and when requested by any parent/guardian. The Scout's Fund can be used to pay for Summer Camp, outing fees or Scouting related expenses. A signed parental release will be required for every withdrawal of funds from this fund. Scout Fund money earned by any Scout and not used by the time that Scout leaves the Troop shall be returned to the Troop General Fund (unless the boy attains Eagle, in which case any remaining monies can be directed toward his Eagle Court of Honor).
