

"Hukilau"

Farewell to Carol and Jarrett Hanover

Original lyrics slightly revised by Spirited Eagle of the Valley - April 2006

Oh we're going to a hukilau
A campfire huki huki huki hukilau
Everybody loves the hukilau
Where we sing way-o and laugh way-o; friendships shine!
We throw our hats up into the sky
Three cheers for Carol, our spirit is high
Oh, we're going to a hukilau
A special huki huki hukilau

Chorus:

What a beautiful day we had fishing
In that good old Scouting way
For a good catch we were wishing
Down in old Castaic bay

Oh we're going to a hukilau
A campfire huki huki huki hukilau
Everybody loves the hukilau
Where we sing way-o and laugh way-o; friendships shine!
We throw our hats up into the sky
Three cheers for Jarrett, our spirit is high
Oh, we're going to a hukilau
A special hiki huki huki
Huki huki huki huki
Special Scouting huki huki hukilau!
