

"OAK FEVER"

Sung to the tune of "He's Got the Whole World in His Hands" - lyrics by Spirited Eagle 9-2007

*They've... caught... that... **Oak Fever** in them bones
Burning **Oak Fever** in them bones
They've caught that **Oak Fever** in them bones
It's that **OAK FEVER** in them bones!*

*No curing this fire in them bones
Scouting wildfire in them bones
No curing this fire in them bones
Blazing wildfire in them bones!*

*'Cause they got **Oak Fever** in them bones
Burning **Oak Fever** in them bones
They've caught that **Oak Fever** in them bones
It's that **OAK FEVER** in them bones!*

*(quietly) It's that **OAK FEVER** in them bones!*

*(whispering) It's that **OAK FEVER** in them bones!*

*(shout) It's that **OAK FEVER** in them bones!*
