## **“Old Glory” Scoutin' Choo-Choo**

Lyrics by Spirited Eagle 2007

Pardon me boys...  
Is this “Old Glory” Scoutin' Choo-Choo?  
Troop 499,  
Hey guys, you really do shine!  
Climb on aboard,  
It's High Adventure Scoutin' Choo-Choo...  
We'll climb the peaks if we dare,  
With energy left to spare!

While we're cooking and kajoling... “Whoops! It fell on the floor!”  
Dust it off and throw it in, there's really no need for more!  
Hot dogs from our diner,  
Nothing could be finer,  
“Bless this food we ask Lord, guard our stomach liner!”

Rank and merits are 'a callin', Court of Honor's not far.  
Then you know you should dialin' as you're shootin' for STAR...  
Don't want to talk to parents,  
Make you own appointments,  
Way-O! Scouts, just keep on raising that bar!

There's gonna be...  
Some oratorical creations.  
Learn 'bout di-ver-si-ty,  
Communication's the key.  
“Deep-Rooted” I say,  
The values start within the home...  
“Old Glory” Scoutin' Choo-Choo,  
Let freedom ring as we roam!
